The Fisk Jubilee Singers Genuine.

The jubilee singers controversy, which has been going on for some time through the press, must necessarily be affected by a letter written by Gen. Clinton B. Fisk to S. J. Brown, of New York, the substance of which is as follows: "I am in receipt of your favor of the 20th instant with newspaper clippings of some complications about the jubilee singers in Syracuse and Troy. I am pleased to say that the chief singers of the troupe are all of the original Fisk University Jubilee Singers. If any company traveling has any right to the tiltle they use, excitally it is the company in which Mrs. Jackson De Hatt, Mrs. Maggie Porter Cole, and Miss Gordon are a part. All these were members of the Fisk School twenty years ago. I saw them there as little girls and have followed their fortunes ever since. It is true they are now singing on their own account and are no longer connected with the university, but they are none the less the original jubilee singers." The Fisk Jubilee Singers Genuine.
